Education

Yoobee Colleges

Level 5 Diploma in Web and Graphic Design

2018 - 2019

Skills that I gained completing this diploma include:

- UX production tools and techniques such as Figma & Invision for prototyping and Trello for creating milestones and project timelines
- Adobe Suite; Photoshop(for image manipulation), Illustrator (icon creation)
- HTML 5, CSS 3 and WordPress basics

Level 6 Diploma in Web Development and UX Design

Skills that I gained completing this diploma include:

- Node & NPM, MongoDB, SASS, JavaScript for front end and backend web development
- Work with APIs such as Google Maps and News API
- Work with libraries; i.e. jQuery, Bootstrap 4, jQuery UI to speed up development

Work Experience

Hutt Valley Fencing Club

Senior Coach and Web Master

2011 - Present

Skills that I gained from working with the club:

- Public Speaking and communication with a wide range of people of different ages and backgrounds
- Quick decision making and time management
- Managing a CMS for club information & updates using [WordPress.com](https://www.wordpress.com)
- Managing and developing junior coaches

The Warehouse

Checkout Operator

2015 - 2017

Skills that I gained from working for the Warehouse:

- Gained 'Love Your Customer' levels 1 & 2
- Time management
- Patience with working with the public
